

Ungethüm-Aesculap Fellowship for the Promotion of Surgery and Medical Technology

The B. Braun-Foundation announces the Ungethüm-Aesculap Scholarship for the advancement of surgery and medical technology for international surgeons.

The Ungethüm-Aesculap Fellowship for the Advancement of Surgery and Medical Technology (UAS) is an international fellowship for physicians in surgery who wish to study medical technology topics in science and practice.

We are looking for surgeons from **Africa, Asia, and Latin America**. With the Ungethüm-Aesculap scholarship, we support the scholarship holders in a visit to German universities to conduct research on medical technology topics - if possible, in cooperation with engineering faculties. The aim is to strengthen medical technology and promote international surgical-scientific exchange

The fellowship offer is addressed to surgeons from the above-mentioned countries with 2-3 years of professional experience in clinical research in the following specialties

- » General Surgery
- » Trauma Surgery / Orthopedics
- » Neurosurgery
- » Cardiovascular Surgery
- » Plastic Surgery
- » Thorax Surgery

Additional funding is provided for the scholarship holder's stay in the host country Germany.

Funding is available for the following costs

- » Living expenses, accommodation
- » Contribution to material costs, publication costs
- » Travel expenses
- » Taxes and insurances

The prerequisite is that the funded project is related to medical technology, has a benefit for professional

practice and is certified/certified by the supervising institution.

The scholarship amount is provided in the form of a one-time cash grant, the amount of which is limited to a maximum of **25,000.00 €**.

Please submit your application materials online only at <http://www.editorialmanager.com/bbst/>

- » Letter of motivation
- » Resume
- » Publication list
- » Program and expected result of the targeted action
- » Employer reference
- » Cooperation partner reference
- » Cost and financing plan

Applications are accepted from
**01 March to 31 April 2024 and
01 September to 31 Oktober 2024**

Incomplete applications cannot be considered and will result in rejection.
